

Peace for Parents

Managing Difficult Childhood Behaviors at Home and at School

Jordan Hall, MS, BCBA

Tuesday, February 28, 2017, 6 p.m.
Early Learning Village | 200 Larkan Avenue | Frankfort, KY 40601

Learn about strategies to avoid incidents of challenging behaviors in home and school settings. Possible motives will be examined to assist caregivers in determining the most effective interventions. Preventative guidelines for arranging the home and school environments, setting expectations, and encouraging positive behaviors will be discussed. There will be time for questions.

To register for the FREE seminar, please call Lisa Prewitt at 502-432-2011, or email lisaprewitt@kentuckyonehealth.org.

JORDAN HALL, MS, BCBA

Successful Transition to Middle School

Morgan Erin Mcgill, LPCA

Monday, May 8, 2017, 5:30 p.m.
Hearn Elementary | 300 Copperleaf Boulevard | Frankfort, KY 40601

This workshop is open to parents, grandparents, teachers, counselors and other concerned individuals. In this workshop, Morgan Erin Mcgill will address a variety of issues that may arise during this time of transition, such as social media, developing positive relationships, bullying, etc. She will discuss the stages of development and what emotional changes may be taking place. She will also talk about how a parent can foster independence and, at the same time, provide limits. There will be time for questions.

To register for the FREE seminar, please call Lisa Prewitt at 502-432-2011, or email lisaprewitt@kentuckyonehealth.org.
