Dear Parent or Guardian:

The educators in Anderson County are committed to providing a quality instructional program for your child. This letter is just one of the ways of keeping you informed of the educational commitment of our schools and our district.

Our district receives federal funds for Title II program as a part of the Every Student Succeeds Act (ESSA). Under ESSA, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information, the district will provide you the following information about whether the teacher:

- Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- Is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to request this information, please contact Bobby Murphy by phone at (502) 839-3406 or by email at [bobby.murphy@anderson.kyschools.us](mailto:bobby.murphy@anderson.kyschools.us). Please include your child's name, the name of the school your child attends, the names of your child's teacher(s) and an address or email address where the information may be sent. Thank you for your interest and involvement in your child's education

Sincerely,

*/s/ Bobby Murphy*
